GRIEVANCE PROCEDURES

A. Definitions

1. A "grievance" is a claim based upon an event or condition which affects the terms and conditions of employment of an employee or group of employees and/or the interpretation, meaning or application of any of the provisions of this Agreement as will be defined by PERC or by law.
2. An "aggrieved person" is the person or persons making the claim.
3. A "party in interest" is the person or persons making the claim and any person who might be required to take action or against whom action might be taken in order to resolve the claim.

B. Purpose

1. The purpose of this procedure is to secure, at the lowest possible level, solutions to problems which may arise affecting the welfare of employees, or terms and conditions of employment as defined by PERC or by law. Proceedings will be kept confidential. They will be conducted as informally as may be appropriate.
2. Nothing herein contained shall be construed as limiting the right of any employee having a grievance to discuss the matter informally with any appropriate member of the Administration, and having the grievance adjusted without

intervention of the Association, provided the adjustment is not inconsistent with the terms of the Agreement and that the Association has been given the opportunity to be present at such adjustment and to state its views.

C. Procedure

1. The number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual agreement.
2. In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year, and if left unresolved until the beginning of the following school year, could result in irreparable harm to a party in interest, the time limits set forth herein shall be reduced so that the grievance procedure may be exhausted prior to the end of the school year or as soon thereafter as it is practicable.
3. Any grievance affecting an individual shall be deemed waived unless it is submitted within ten (10) school days after the aggrieved party knew or should have known of the event or conditions on which it is based. Grievances affecting a group of employees shall be deemed waived unless submitted within ten (10) school days after the last particular incident which affects any member of the group.

The Principal/Supervisor shall communicate the decision to the employee in writing within three (3) calendar days of receipt of the written complaint.
